Popular feature to be continued

One of the most popular programs initiated in recent years by the SMA Alumni Association was the “Where They Are Now” series, which entailed solicitation of information from alumni and editing that information into brief articles in the *Kablegram*.

The program is being continued with this issue. Response to the initial publication of the form shown at left was excellent and yielded a great deal of information on SMA alumni, some who had been the source of searches by their former classmates.

Careful attention to detail is important. The *Kablegram* wants to publish accurate, detailed information. Please complete the form at left. Tell us your full name, address, telephone number and e-mail

When did you enroll at SMA and when did you graduate? What rank were you when you graduated? Where was your senior year regimental assignment? What special units were you in?

The remainder of your submission should be in paragraph form, being brief but informative. Try to give an overall review of your post-SMA life and career, and culminate with what you are doing today.

The *Kablegram* may find it necessary to edit your submission for space purposes, but will not alter the content in any way. If you provide a telephone number and/or e-mail address, we will try to consult with you when editing appears necessary.

We welcome photographs, proving they are current. We prefer that they be individual photos, and not groups. These photos will be used if possible and will be retained in the *Kablegram* archives.

When you have completed your submission, mail it to SMA Alumni Association, P. O. Box 958, Woodrum Station, Staunton, Virginia 24402-0958.
